

# 2022-2023 Season Pass Intent

Season Pass Details: Choose two Allstar Jam events (Raleigh, Concord, Columbia, Asheville) and one National event (Charleston and Savannah) for the price of \$159/athlete with no crossover fees.

Please complete the following form to declare your intent to participate in our 2022-2023 season pass. Please note this is NOT your registration. All registration and payment will be processed through our online registration system. You must still register and create your team rosters in RegChamp.

In order to secure the season pass pricing your account must be paid in full prior to your first chosen event. If your athlete count grows and you need to adjust your roster numbers, you must notify us immediately. Any additional athletes will be charged the early bird registration fee for the event. No refunds will be given under any circumstances.
